20+ years of access to healthy life

From the Chairman's Desk

Warm greetings from AMN Life Science!

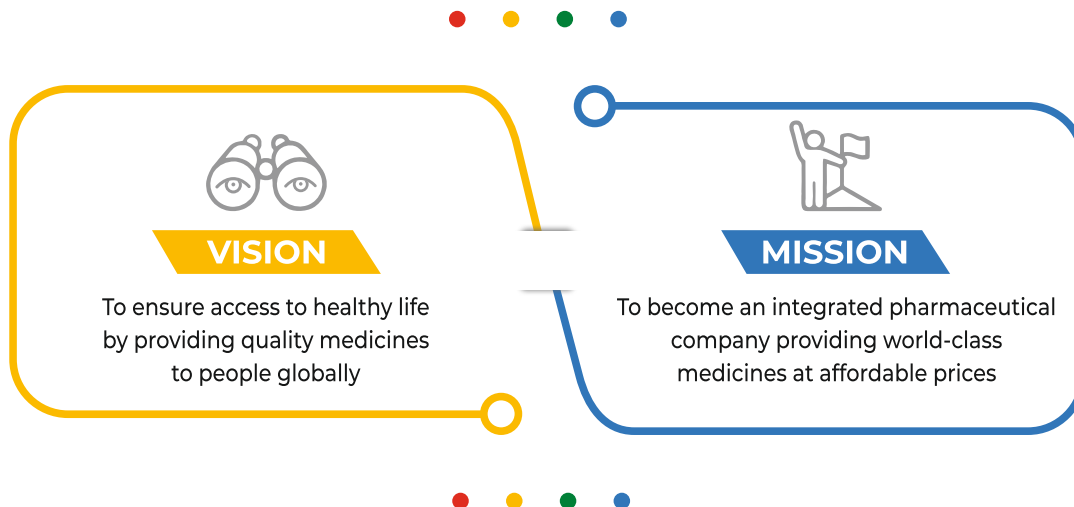

Warm regards,
Ashish Khemka
Chairman & MD

As we celebrate over 20+ years in the pharmaceutical industry, I extend my heartfelt gratitude to all who have been part of our journey. Your trust has enabled us to grow into one of India's fastest-emerging pharmaceutical companies.

What began as a mission to enhance global access to affordable, quality medicines has now evolved into comprehensive capabilities—from finished dosage formulations to CEP & COS grade APIs supported by in-house R&D, kilo lab facilities, and backward integration ensuring supply security.

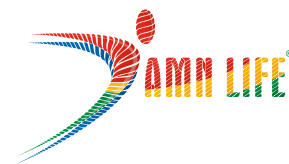

Our commitment remains steadfast: to deliver innovative, reliable, and affordable healthcare solutions to patients across the globe.

Our core values are built on the 4 Ps
